## Ordering Free At-Home COVID-19 Tests

Every home in the U.S. is eligible to order one set of four free at-home COVID-19 tests through the United States Postal Service. These tests are limited to one per residential address. One order includes four individual rapid antigen COVID-19 tests. The tests are completely free and usually ship within 7-12 days.

To order, go to <https://www.covidtests.gov/>.

## Over-the-Counter COVID-19 Tests Now Covered by Insurance

If you need a COVID-19 test now; are looking for another type of COVID-19 test; or need more than four tests, over-the-counter COVID-19 tests may be submitted to the pharmacy plan for reimbursement.

Effective immediately, over-the-counter COVID-19 tests may be submitted to the pharmacy plan for reimbursement. You will need to pay cash for the test and submit your receipt, along with the claim form linked below to Express Scripts for reimbursement.

Instructions for submitting the form are included within the claim form. Each person is eligible for reimbursement of eight tests per rolling 30 days and will be reimbursed up to \$12 per test. Express Scripts is working toward a point-of-sale solution like using your pharmacy card. We will share more information when this option is available. Contact Express Scripts at 800-334-8134 with questions.
